Falko Regional Aircraft Limited reaches agreement with Avolon relating to its regional aircraft portfolio

London, December 20, 2018 – Falko Regional Aircraft Limited (Falko), a market leading aircraft operating leasing and asset management company focused on the regional aircraft sector, today announced that it reached agreement with Avolon in relation to the acquisition of 49 regional jet aircraft (the “Portfolio”). The Portfolio includes twenty-eight Embraer EJet and twenty-one Bombardier CRJ aircraft on lease to nine operators worldwide. The Portfolio has an appraised current market value in excess of \$1 billion.

“We are delighted to have finalised another deal with Avolon. This acquisition is a major step forward in the development of Falko and will expand our portfolio to over 120 regional jets and turboprops. Falko is now one of the world’s foremost aircraft operating lease companies focused on the regional aircraft sector and we believe this deal is reflective of our market leading position.” said Mark Hughes, Chief Commercial Officer, Falko Regional Aircraft Limited.

John Higgins, President & Chief Commercial Officer, Avolon commented; “We are delighted to extend our already close and long standing relationship with Falko, who have clearly demonstrated their ability to transact in scale. The business the Falko team has built over several years is truly impressive.”

About Falko

Falko is a specialist aircraft operating leasing, asset management and aircraft services company focused on the regional aircraft sector. It is currently one of the world's largest managers of regional jets by aircraft numbers. Falko has a clear growth strategy dedicated to expanding the business and growing its portfolio of aircraft and associated services within the regional aircraft market. With offices in Europe, Asia and South America, Falko is well positioned to deliver a range of solutions across the globe.
