Falko Regional Aircraft Limited to add eleven Bombardier CRJ900NG aircraft to its portfolio from SAS

London, February 2, 2017 – Falko Regional Aircraft Limited (Falko), a market leading aircraft operating leasing and asset management company focused on the regional aircraft sector, today announced that it will add eleven (11) Bombardier CRJ900NG aircraft to its portfolio. The aircraft are being acquired from Scandinavian Airline Systems (STO: SAS), Scandinavia's leading airline, and are currently on lease to Cimber A/s in Denmark.

“We are delighted to have reached agreement with SAS on these aircraft which further expands our portfolio of Bombardier manufactured aircraft” said Mark Hughes, Executive Vice President – Corporate Finance, Falko Regional Aircraft Limited.

“This deal continues our close relationship with SAS with whom we have concluded a series of transactions since Falko was established in 2011.”

About Falko

Falko is a specialist aircraft operating leasing, asset management and aircraft services company focused on the regional aircraft sector. It is one of the world's largest managers of regional jets by aircraft numbers. Falko has a clear growth strategy dedicated to expanding the business and growing its portfolio of aircraft and associated services within the regional aircraft market. With offices in Europe, Asia and South America, Falko is well positioned to deliver a range of solutions across the globe.

Falko was formed in July 2011 when funds managed by Fortress Investment Group completed the purchase of BAE Systems Asset Management and its associated aircraft portfolio.
